

FORTHING FRIDAY REEV

Range-extended electric SUV. Luxury without range anxiety.

RIGHT-HAND DRIVE

NO MORE RANGE ANXIETY.

Electric-first driving with the confidence of an onboard range extender. The Friday REEV blends refined performance, premium comfort and long-distance freedom in one intelligent SUV.

 **Up to 1,100 km**
manufacturer-claimed combined range

 **150 kW**
electric drive power

 **240 N.m**
peak motor torque

PERFORMANCE & CAPABILITY

Electric response. Long-distance confidence.

REEV POWERTRAIN

Electric drive supported by an onboard range extender

FRONT-WHEEL DRIVE

Smooth, quiet and responsive everyday performance

DRIVE MODES

Eco, Normal and Sport

5-SEAT SUV

Practical space for everyday and weekend travel

PANORAMIC ROOF

An open, airy cabin experience

FLEXIBLE CARGO

Rear seats fold for larger loads

The Friday REEV is engineered to deliver the calm, immediate feel of electric driving while the range-extending generator adds confidence for longer journeys. Final equipment and range may vary by production batch and market specification.
